Hi Gail--

Sorry to be so pokey about getting back to you. I made the changes (added the picnic info and new field picture to the events page, added a

prominent link to picnic info on home page) and posted the site to my server at <http://www.webgrok.com/ccys/>. Take a look and let me know if you want anything changed, etc.

Hello Rod,

I am calling in my last posting card. J

Will you please post under events and possibly put something to make it pop out? And add the picture of our new field on the front page or in the events as well...

Also, I was hoping you saved the password for this site, I misplaced it-Will you send it to me for the new webmaster?

Once again, We really appreciate all that you've done for us, and would love to see you at a game or two! I'll keep my fav gal posted.

Thanks-

Gail
